DETAILED ACTION

Response to Amendment

Applicant's response to amendment on 10/03/07 has been entered. It is noted that the application contains claims 1-17 by the amendment on 10/03/07.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

After reviewing of application's remark with pages 9-10 filed on 10/03/07 is overcome the prior art of the record.

Claims 1-17 are allowed over the prior art.

As to independent claims 1 and 9 are allowable over the prior art for at least the reason that the prior art of record, taken alone or in combination, fails discloses or render obvious a pattern inspection apparatus and method comprising all the specific elements with the specific combination including of a scanning unit configured to scan the first and second inspection regions to a first direction using the imaging device to obtain first and second measurement patterns representing at least parts of the first and second inspection regions; a comparing unit configured to compare the first measurement pattern and the second measurement pattern with each other to determine presence or absence of a defect formed on the sample; and a control unit configured to control a scanning condition for scanning the second inspection region by the imaging device so as to keep the same with the scanning condition when the first inspection region is scanned by the imaging device in combination with the rest of the

limitation of claims 1 and 9. The dependent claims 2-8 are allowed by virtue of their dependence on claim 1. Also, the dependent claims 10-17 are allowed by virtue of their dependence on claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
